Mrs Mollie A Barrett
7 Heffron Street
TWEED HEADS SOUTH 2486

Re: Proposed residential housing development at 3-5 Heffron Street and 6 Seymour Street, Tweed Heads South

Dear Resident(s),

I am writing to you from Homes NSW about a proposed residential housing development at 3-5 Heffron Street and 6 Seymour Street, Tweed Heads South.

What we are proposing

We are proposing to redevelop the vacant site with a new 5-storey residential housing development which will include:

- Approximately 32 homes in total: a mix of 1 and 2 – bedroom units
- 5-storey high apartment with carparking on ground level
- internal lift
- private open spaces, landscaping and fencing across the site

What we'd like to hear from you

At this stage, we are seeking your advice on anything you think will help inform the detailed design for the new development.

How to give feedback

We invite you to contact Homes NSW's Community Engagement Team via email: **CommunityEngagement@homes.nsw.gov.au** or phone: **1800 738 718** (voicemail).

All feedback should be sent **by Friday 5 September 2025** to give us enough time to consider it. You will receive confirmation that your feedback has been received.

Next steps and future opportunities to provide feedback

We will consider your feedback in relation to the proposed development to help inform the next phase of the project, which will focus on developing the detailed design. Once our designs have

been finalised, we will be lodging a Development Application (DA) with Tweed Shire Council. We will contact you again to advise when we are submitting the DA.

How we plan to deliver social housing developments

Homes NSW undertakes the design and planning of its housing developments in accordance with the State Environmental Planning Policy (Housing) 2021 (Housing SEPP). One of the principles of the Housing SEPP includes "encouraging the development of housing that will meet the needs of more vulnerable members of the community, including very low to moderate income households, seniors and people with a disability".

Recognising the important role that Homes NSW play in the delivery of homes for vulnerable members of our community the Housing SEPP contains specific provisions in relation to the assessment of these projects. For more information refer to Chapter 2, Part 2, Division 1 of the Housing SEPP.

We look forward to hearing from you.

Yours sincerely,

Lyness Searle
Senior Community Engagement Officer
Homes NSW

About Homes NSW

Homes NSW's vision is to deliver quality homes and services that change lives and end homelessness.

Homes NSW is at the forefront of the NSW Government's response to the housing crisis. We are tasked with turbocharging the construction, maintenance and repair of social and affordable housing across our state.

We are boosting homelessness support services and working to improve the experience and outcomes of those who need our help, and the more than 260,000 people who call our properties home.

Homes NSW is partnering with all levels of government, sector and communities to confront the housing crisis and make sure NSW is a place where everyone has access to safe and secure housing.
